TUITION

Tuition payments are due on the **first** of each month, beginning June 1, for twelve (12) monthly payments, August 1, for ten (10) months payment, and September 1, for nine (9) months payment plan. After the **15th** of the month, a \$10.00 late fee is added to the amount due. Arrangements will be made for new families enrolling their child after June 1. HCS offers financial assistance to families of students who meet Financial Assistance Funds criteria. A ministry discount is available to those families in ministry.

Because tuition is used to pay salaries and purchase supplies, prompt payment is necessary. Should you experience financial difficulties, please contact the school administrator and he will discuss the matter with you and seek to make arrangements that are acceptable to both you and the school.

Our average tuition rate is currently less than 50% of the actual cost for the education of your children. Please pray that the Lord would supply the difference between the amount of tuition we charge and the actual amount of money it takes to educate each child so that Heartland Christian School can continue being a viable ministry in Thomas County.
