### **“Hearts for Heartland” Supply Drive**

It takes our entire HCS team working together to make our school a success! We need your help. We are currently short on supplies to reach the end of the school year. We are having a supply drive to restock our shelves. Items that students use everyday, tissues, forks, knives, spoons, and cleaning items are in need. Please help by taking a heart tag” and taking it to the store and purchasing that item for HCS. You may drop off your items in the office. Thanks for helping out in this small but much needed way.
