About Us

Started in the Fall of 1995, Heartland Christian School is a school in Northwest Kansas, offering a Christ-centered education for students in Pre-K through 12th grades. The Heartland Christian School Family continues to build upon the hope and vision that God crystallized in the hearts and minds of our founders over two decades ago. That is, to educate children with the light of Scripture, shining on every aspect of each child’s educational experience.

Our Purpose

The primary goal of Heartland Christian School is to train students spiritually. It is our desire to be the extension of the Biblical and educational training begun in a Christian home. To obtain this purpose we have the following objectives:

Heartland Christian School seeks to encourage its students to reach their highest 1) spiritual, 2) Intellectual, 3) social, 4) cultural, and 5) physical potential. We seek to present the truth about God, life and the world.

Academics

Spiritual Christian education at Heartland Christian School is an extension of the biblical and educational training begun in the Christian home and church. Heartland uses various curricula. The choice at this time is curriculum from A Beka Books, Bob Jones University Press, Pearson, Summit Ministries, and Association of Christian Schools international.

Athletics

We believe that athletics are an important part of the education process. Our students have had the opportunity to participate in multiple sports. Our athletic programs offer our students the benefits learned through discipline, perseverance, and teamwork. We desire to develop a foundation of biblical leadership and teamwork.
